

Curriculum Vitae

Name: Sachin Shrestha

Location: Mumbai, India

Email: noizfactory@gmail.com

Contact Number: +91 9821381929

Education: 10+2 (12th Grade), Science from St. Paul's School, Bangalore

Software Skills: Maya, Mental Ray, Mayaman, AIR, Photoshop, Digital Fusion, After Effects

Production Skills: Lighting, Foliage Environments, Set Modeling, Texturing

Work Experience:

Prana Studios, Mumbai - June 2005 – February 2007 (1 year 9 months)

Projects (Film):

Weinstein's HOODWINKED –

- As a Lighting Artist on this feature, I successfully lit and rendered over 50 fur shots using AIR with Mayaman.

Disney's TINKERBELL (unreleased) –

- I worked on this project as a Foliage Environments Artist and as a Lighting Artist on the smaller "Tinkerbell Teaser" version which was released in 2006.
- I was responsible for extensive foliage assets creation, workflow R&D and foliage RIB management using varied tools like Shave and A Haircut, Maya Paint Effects, Delayed Read Archives with Mayaman, Maya Fur and Hair systems.
- Additionally, I set up light rigs for foliage sets and was also responsible for asset approval by client and supervision and training of new artists in my department.

NEWSEUM –

- I worked in this cg and live action 3D production which involved work ranging from digital set extensions (specifically, foliage sets/backgrounds creation and integration of those elements into live action footage shot against green screen) to additional scene layout as well (for foliage elements).

Misc. Achievements:

Co-winner of the 2007 Nokia India Mobile Film Awards in the “non-fiction” category for a short film called “Ek Kavita - A Poem”
